A person who leaves this state with intent to elude any of the provisions of this article or to commit any act out of this state which is prohibited by them or who, being a resident of this state, does any act without this state, pursuant to such intent, which would be punishable under such provisions, if committed within this state, is punishable in the same manner as if such act had been committed within this state.

§ 368. Operating upon tails of horses unlawful. 1. Any person who cuts the bone, tissues, muscles or tendons of the tail of any horse, mare or gelding, or otherwise operates upon it in any manner for the purpose or with the effect of docking, setting, or otherwise altering the natural carriage of the tail, or who knowingly permits the same to be done upon premises of which he is the owner, lessee, proprietor or user, or who assists in or is voluntarily present at such cutting, is guilty of a

misdemeanor, punishable by imprisonment for not more than one year, or by a fine of not more than five hundred dollars or by both. If a horse is found with the bone, tissues, muscles or tendons of its tail cut as aforesaid and with the wound resulting therefrom unhealed, upon the premises or in the charge and custody of any person, such fact shall be prima facie evidence of a violation of this section by the owner or user of such premises or the person having such charge or custody, respectively.

2. Any person who shows or exhibits at any horse show or other like exhibition in this state a horse, mare or gelding, the tail of which has been cut or operated upon in the manner referred to in section one hereof, is guilty of a misdemeanor, punishable by imprisonment for not more than one year, or by a fine of not more than five hundred dollars, or by both; provided that the provisions of this section shall not apply with respect to an animal the tail of which has been so cut or operated upon, if the owner thereof furnishes to the manager or other official having charge of the horse show or exhibition at which such animal is shown or exhibited an affidavit by the owner, or a licensed veterinarian, in a form approved by the state department of agriculture and markets, stating either that the tail of such horse was so cut prior to June first, nineteen hundred sixty-four, or that it was so cut in a state wherein such cutting was not then specifically prohibited by the laws thereof. Said affidavit shall, to the best of affiant's knowledge, information and belief, identify the animal with respect to sex, age, markings, sire and dam, and state either that the cutting was done prior to June first, nineteen hundred sixty-four, or the time and place of such cutting and the name and address of the person by whom performed. The affidavit shall be subject to inspection at all reasonable times by any peace officer, acting pursuant to his special duties, or police officer of this state, or by a designated representative of the commissioner. In lieu of furnishing such affidavit to the manager or other official having charge of such horse show or exhibition, the owner of such horse may specify on the entry blank for the horse show or exhibition the name and address of a central registry office designated by the state department of agriculture and markets where such an affidavit has already been filed and is available for inspection.

§ 369. Interference with officers. Any person who shall interfere with or obstruct any constable or police officer or any officer or agent of any duly incorporated society for the prevention of cruelty to animals in the discharge of his duty to enforce the laws relating to animals shall be guilty of a misdemeanor, punishable by imprisonment for not more than one year, or by a fine of not more than one thousand dollars, or by both.

§ 370. Protection of the public from attack by wild animals and reptiles. Any person owning, possessing or harboring a wild animal or reptile capable of inflicting bodily harm upon a human being, who shall fail to exercise due care in safeguarding the public from attack by such wild animal or reptile, is guilty of a misdemeanor, punishable by imprisonment for not more than one year, or by a fine of not more than five hundred dollars, or by both. "Wild animal" within the meaning of this section, shall not include a dog or cat or other domestic animal.

Previous attacks upon a human being by such wild animal or reptile, or knowledge of the vicious propensities of such wild animal or reptile, on the part of the possessor or harbinger thereof, shall not be required to be proven by the people upon a prosecution hereunder; and neither the fact that such wild animal or reptile has not previously attacked a

human being, nor lack of knowledge of the vicious propensities of such wild animal or reptile on the part of the owner, possessor or harbinger thereof shall constitute a defense to a prosecution hereunder.

§ 371. Powers of peace officers. A constable or police officer must, and any agent or officer of any duly incorporated society for the prevention of cruelty to animals may issue an appearance ticket pursuant to section 150.20 of the criminal procedure law, summon or arrest, and bring before a court or magistrate having jurisdiction, any person offending against any of the provisions of article twenty-six of the agriculture and markets law. Any officer or agent of any of said societies may lawfully interfere to prevent the perpetration of any act of cruelty upon any animal in his presence. Any of said societies may prefer a complaint before any court, tribunal or magistrate having jurisdiction, for the violation of any law relating to or affecting animals and may aid in presenting the law and facts before such court, tribunal or magistrate in any proceeding taken.

§ 372. Issuance of warrants upon complaint. Upon complaint under oath or affirmation to any magistrate authorized to issue warrants in criminal cases, that the complainant has just and reasonable cause to suspect that any of the provisions of law relating to or in any wise affecting animals are being or about to be violated in any particular building or place, such magistrate shall immediately issue and deliver a warrant to any person authorized by law to make arrests for such offenses, authorizing him to enter and search such building or place, and to arrest any person there present found violating any of said laws, and to bring such person before the nearest magistrate of competent jurisdiction, to be dealt with according to law.

§ 373. Seizure of animals lost, strayed, homeless, abandoned or improperly confined or kept. 1. Any police officer or agent or officer of the American Society for the Prevention of Cruelty to Animals or any duly incorporated society for the prevention of cruelty to animals, may lawfully take possession of any lost, strayed, homeless or abandoned animal found in any street, road or other public place.

1-a. Any police officer in Lewis county may lawfully take possession of any lost, strayed, homeless or abandoned domestic animal, as defined in section one hundred eight of this chapter, found in any street, road or other public place.

2. Any such police officer or agent or officer may also lawfully take possession of any animal in or upon any premises other than a street, road or other public place, which for more than twelve successive hours has been confined or kept in a crowded or unhealthy condition or in unhealthful or unsanitary surroundings or not properly cared for or without necessary sustenance, food or drink, provided that a complaint stating just and reasonable grounds is made under oath or affirmation to any magistrate authorized to issue warrants in criminal cases, and that such warrant authorizing entry and search is issued and delivered by such magistrate; if just and reasonable cause is shown, the magistrate shall immediately issue such warrant.

3. Any such police officer or agent or officer may also lawfully take possession of any unwanted animal from the person in possession or custody thereof.

4. When any person arrested is, at the time of such arrest, in charge of any animal or of any vehicle drawn by or containing any animal, any agent or officer of said society or societies or any police officer may take charge of such animal and of such vehicle and its contents, and

deposit the same in a safe place or custody, or deliver the same into the possession of the police or sheriff of the county or place wherein such arrest was made, who shall thereupon assume the custody thereof; and all necessary expenses incurred in taking charge of such property shall be a charge thereon.

5. Nothing herein contained shall restrict the rights and powers derived from section one hundred seventeen of this chapter relating to seizure of unlicensed dogs and the disposition to be made of animals so seized or taken, nor those derived from any other general or special law relating to the seizure or other taking of dogs and other animals by a society for the prevention of cruelty to animals.

6. a. If any animal is seized and impounded pursuant to the provisions of this section, section three hundred fifty-three-d of this article or section three hundred seventy-five of this article for any violation of this article, upon arraignment of charges, or within a reasonable time thereafter, the duly incorporated society for the prevention of cruelty to animals, humane society, pound, animal shelter or any authorized agents thereof, hereinafter referred to for the purposes of this section as the "impounding organization", may file a petition with the court requesting that the person from whom an animal is seized or the owner of the animal be ordered to post a security. The district attorney prosecuting the charges may file and obtain the requested relief on behalf of the impounding organization if requested to do so by the impounding organization. The security shall be in an amount sufficient to secure payment for all reasonable expenses expected to be incurred by the impounding organization in caring and providing for the animal pending disposition of the charges. Reasonable expenses shall include, but not be limited to, estimated medical care and boarding of the animal for at least thirty days. The amount of the security, if any, shall be determined by the court after taking into consideration all of the facts and circumstances of the case including, but not limited to the recommendation of the impounding organization having custody and care of the seized animal and the cost of caring for the animal. If a security has been posted in accordance with this section, the impounding organization may draw from the security the actual reasonable costs to be incurred by such organization in caring for the seized animal.

b. (1) Upon receipt of a petition pursuant to paragraph a of this subdivision the court shall set a hearing on the petition to be conducted within ten business days of the filing of such petition. The petitioner shall serve a true copy of the petition upon the defendant and the district attorney if the district attorney has not filed the petition on behalf of the petitioner. The petitioner shall also serve a true copy of the petition on any interested person. For purposes of this subdivision, interested person shall mean an individual, partnership, firm, joint stock company, corporation, association, trust, estate or other legal entity who the court determines may have a pecuniary interest in the animal which is the subject of the petition. The petitioner or the district attorney acting on behalf of the petitioner, shall have the burden of proving by a preponderance of the evidence that the person from whom the animal was seized violated a provision of this article. The court may waive for good cause shown the posting of security.

(2) If the court orders the posting of a security, the security shall be posted with the clerk of the court within five business days of the hearing provided for in subparagraph one of this paragraph. The court may order the immediate forfeiture of the seized animal to the impounding organization if the person ordered to post the security fails to do so. Any animal forfeited shall be made available for adoption or

euthanized subject to subdivision seven-a of section one hundred seventeen of this chapter or section three hundred seventy-four of this article.

(3) In the case of an animal other than a companion animal or pet, if a person ordered to post security fails to do so, the court may, in addition to the forfeiture to a duly incorporated society for the prevention of cruelty to animals, humane society, pound, animal shelter or any authorized agents thereof, and subject to the restrictions of sections three hundred fifty-four, three hundred fifty-seven and three hundred seventy-four of this article, order the animal which was the basis of the order to be sold, provided that all interested persons shall first be provided the opportunity to redeem their interest in the animal and to purchase the interest of the person ordered to post security, subject to such conditions as the court deems appropriate to assure proper care and treatment of the animal. The court may reimburse the person ordered to post security and any interested persons any money earned by the sale of the animal less any costs including, but not limited to, veterinary and custodial care. Any animal determined by the court to be maimed, diseased, disabled or infirm so as to be unfit for sale or any useful purpose shall be forfeited to a duly incorporated society for the prevention of cruelty to animals or a duly incorporated humane society or authorized agents thereof, and be available for adoption or shall be euthanized subject to section three hundred seventy-four of this article.

(4) Nothing in this section shall be construed to limit or restrict in any way the rights of a secured party having a security interest in any animal described in this section. This section expressly does not impair or subordinate the rights of such a secured lender having a security interest in the animal or in the proceeds from the sale of such animal.

c. In no event shall the security prevent the impounding organization having custody and care of the animal from disposing of the animal pursuant to section three hundred seventy-four of this article prior to the expiration of the thirty day period covered by the security if the court makes a determination of the charges against the person from whom the animal was seized prior thereto. Upon receipt of a petition from the impounding organization, the court may order the person from whom the animal was seized or the owner of the animal to post an additional security with the clerk of the court to secure payment of reasonable expenses for an additional period of time pending a determination by the court of the charges against the person from whom the animal was seized. The person who posted the security shall be entitled to a refund of the security in whole or part for any expenses not incurred by such impounding organization upon adjudication of the charges. The person who posted the security shall be entitled to a full refund of the security, including reimbursement by the impounding organization of any amount allowed by the court to be expended, and the return of the animal seized and impounded upon acquittal or dismissal of the charges, except where the dismissal is based upon an adjournment in contemplation of dismissal pursuant to section 215.30 of the criminal procedure law. The court order directing such refund and reimbursement shall provide for payment to be made within a reasonable time from the acquittal or dismissal of charges.

7. Notwithstanding any other provision of this section to the contrary, the court may order a person charged with any violation of this article to provide necessary food, water, shelter and care for any animal which is the basis of the charge, without the removal of the animal from its existing location, until the charges against the person are adjudicated. Until a final determination of the charges is made,

any law enforcement officer, officer of a duly incorporated society for the prevention of cruelty to animals, or its authorized agents, may be authorized by an order of the court to make regular visits to where the animal is being kept to ascertain if the animal is receiving necessary food, water, shelter and care. Nothing shall prevent any law enforcement officer, officer of a duly incorporated society for the prevention of cruelty to animals, or its authorized agents, from applying for a warrant pursuant to this section to seize any animal being held by the person charged pending the adjudication of the charges if it is determined that the animal is not receiving the necessary food, water, shelter or care.

§ 374. Humane destruction or other disposition of animals lost, strayed, homeless, abandoned or improperly confined or kept. 1. Any agent or officer of any duly incorporated humane society, a duly incorporated society for the prevention of cruelty to animals, any dog control officer, or any police officer, may lawfully cause to be humanely destroyed (by means provided for in paragraph a of subdivision three of this section) any animal found abandoned and not properly cared for, or any lost, strayed, homeless or unwanted animal, if upon examination a licensed veterinarian shall certify in writing, or if two reputable citizens called upon by such agent, officer or police officer to view the same in his or her presence find that the animal is so maimed, diseased, disabled, or infirm so as to be unfit for any useful purpose and that humane euthanasia is warranted; or after such agent, officer or police officer has obtained in writing from the owner of such animal his or her consent to such destruction.

2. In the absence of such findings or certification, a duly incorporated humane society, a duly incorporated society for the prevention of cruelty to animals, or any pound maintained by or under contract or agreement with any county, city, town or village may after five days make available for adoption or have humanely destroyed in accordance with the provisions of this section and subject to subdivisions six, eight and nine of section one hundred eighteen of this chapter, any animal of which possession is taken as provided for in the preceding section, unless the same is earlier redeemed by its owner.

3. a. Except as provided in subdivision four of this section, euthanasia of animals pursuant to this section shall be accomplished solely by means of injection of sodium pentobarbital or sodium pentobarbital solution administered by a certified euthanasia technician, a licensed veterinarian or a licensed veterinary technician. Euthanasia by intracardiac injection of sodium pentobarbital or sodium pentobarbital solution shall be performed only upon animals that are heavily sedated, anesthetized, or comatose. However, only a licensed veterinarian may perform euthanasia by intracardiac injection of sodium pentobarbital or sodium pentobarbital solution upon animals that are not heavily sedated, anesthetized or comatose and only when such licensed veterinarian determines that such intracardiac injection is the most humane option available. Whenever a cardiac injection of sodium pentobarbital or sodium pentobarbital solution is administered by a licensed veterinarian upon an animal that is not heavily sedated, anesthetized or comatose, such veterinarian must document, in writing, the administration of such injection and the reason for its administration. Such documentation shall be retained for at least three years. Under no circumstances shall intracardiac injection be performed on animals that are not heavily sedated, anesthetized or comatose where such animals are under the care of any duly incorporated society for the prevention of cruelty to animals, animal shelter, humane society or

pound.

b. No animal shall be left unattended between the time that the euthanasia procedure begins and the time when death is confirmed. The body of a euthanized animal shall not be disposed of in any manner until death is confirmed by a licensed veterinarian, a certified euthanasia technician or a licensed veterinary technician. Violations of this paragraph shall be punishable by a civil penalty of not more than five hundred dollars.

The department of health shall promulgate regulations deemed necessary for implementation of the provisions of this subdivision, including regulations governing the training and certification of certified euthanasia technicians.

4. a. Any method of euthanasia other than that provided for in subdivision three of this section is prohibited except that euthanasia of an animal by gunshot is permissible as an emergency measure for an animal that is posing an imminent threat of serious physical injury to a person or to another animal as provided in section one hundred twenty-one-a of this chapter and where the use of a humane method of euthanasia prescribed in this section is rendered impossible or where a severely injured animal is suffering and cannot otherwise be aided.

b. Within ninety days of the effective date of this subdivision, any chamber used to induce hypoxia by means of a lethal gas shall be dismantled, rendered inoperable and beyond repair, and removed from the premises. Violations of this paragraph shall be punishable by a civil penalty of not more than five hundred dollars.

5. No person shall release any dog or cat from the custody or control of any pound, shelter, society for the prevention of cruelty to animals, humane society, dog protective association, dog control officer, peace officer or any agent thereof, for any purpose except adoption or redemption by its owner, provided, however, that after the time for redemption has expired, release may be made to another such pound, duly incorporated society for the prevention of cruelty to animals, duly incorporated humane society or duly incorporated animal protective association for the sole purpose of placing such animal in an adoptive home when such action is reasonably believed to improve the opportunity for adoption. Notwithstanding the penalties set forth in paragraph b of subdivision three of this section and paragraph b of subdivision four of this section, any violation of this subdivision, subdivision two, three or four of this section, shall constitute a misdemeanor and shall be punishable by imprisonment for not more than one year, or by a fine of not more than one thousand dollars, or by both.

6. In lieu of such destruction, redemption or other disposition pursuant to this section, such pound, shelter, or society may in its discretion lawfully and without liability deliver such animal for adoption to an individual other than the owner after the time for redemption has expired.

7. Prior to such destruction or other disposition, the owner of the animal may redeem the same upon proving title to the satisfaction of such society and paying such society such amount, approved by a magistrate, as may have been reasonably expended by such society in connection with the care and maintenance thereof.

8. a. In addition to any other penalty provided by law, upon conviction for any violation of section three hundred fifty-one, three hundred fifty-three, three hundred fifty-three-a, three hundred fifty-three-b, three hundred fifty-five, three hundred fifty-six, three hundred fifty-nine, three hundred sixty, three hundred sixty-one, three hundred sixty-five or three hundred sixty-eight of this article, the convicted person may, after a duly held hearing pursuant to paragraph f

of this subdivision, be ordered by the court to forfeit, to a duly incorporated society for the prevention of cruelty to animals or a duly incorporated humane society or authorized agents thereof, the animal or animals which are the basis of the conviction. Upon such an order of forfeiture, the convicted person shall be deemed to have relinquished all rights to the animals which are the basis of the conviction, except those granted in paragraph d of this subdivision.

b. Pursuant to the provisions of subdivisions two, three, four and five of this section, no animal in the custody of a duly incorporated society for the prevention of cruelty to animals, a duly incorporated humane society, duly incorporated animal protective association, pound or its authorized agents thereof, shall be sold, transferred or otherwise made available to any person for the purpose of research, experimentation or testing. No authorized agent of a duly incorporated society for the prevention of cruelty to animals, nor of a duly incorporated humane society, duly incorporated animal protective association or pound shall use any animal placed in its custody by the duly incorporated society for the prevention of cruelty to animals or duly incorporated humane society for the purpose of research, experimentation or testing.

c. The court may additionally order that the convicted person or any person dwelling in the same household who conspired, aided or abetted in the unlawful act which was the basis of the conviction, or who knew or should have known of the unlawful act, shall not own, harbor, or have custody or control of any other animals, other than farm animals, for a period of time which the court deems reasonable.

d. In the case of farm animals, the court may, in addition to the forfeiture to a duly incorporated society for the prevention of cruelty to animals or a duly incorporated humane society or authorized agents thereof, and subject to the restrictions of sections three hundred fifty-four and three hundred fifty-seven of this article, order the farm animals which were the basis of the conviction to be sold. In no case shall farm animals which are the basis of the conviction be redeemed by the convicted person who is the subject of the order of forfeiture or by any person dwelling in the same household who conspired, aided or abetted in the unlawful act which was the basis of the conviction, or who knew or should have known of the unlawful act. The court shall reimburse the convicted person and any duly determined interested persons, pursuant to paragraph f of this subdivision, any money earned by the sale of the farm animals less any costs including, but not limited to, veterinary and custodial care, and any fines or penalties imposed by the court. The court may order that the subject animals be provided with appropriate care and treatment pending the hearing and the disposition of the charges. Any farm animal ordered forfeited but not sold shall be remanded to the custody and charge of a duly incorporated society for the prevention of cruelty to animals or duly incorporated humane society or its authorized agent thereof and disposed of pursuant to paragraph e of this subdivision.

e. A duly incorporated society for the prevention of cruelty to animals or a duly incorporated humane society in charge of animals forfeited pursuant to paragraph a of this subdivision may, in its discretion, lawfully and without liability, adopt them to individuals other than the convicted person or person dwelling in the same household who conspired, aided or abetted in the unlawful act which was the basis of the conviction, or who knew or should have known of the unlawful act, or humanely dispose of them according to the provisions of subdivisions two, three, four and five of this section.

f. (1) Prior to an order of forfeiture of farm animals, a hearing

shall be held within thirty days of conviction, to determine the pecuniary interests of any other person in the farm animals which were the basis of the conviction. Written notice shall be served at least five days prior to the hearing upon all interested persons. In addition, notice shall be made by publication in a local newspaper at least seven days prior to the hearing. For the purposes of this subdivision, interested persons shall mean any individual, partnership, firm, joint stock company, corporation, association, trust, estate, or other legal entity who the court determines may have a pecuniary interest in the farm animals which are the subject of the forfeiture action.

(2) All interested persons shall be provided an opportunity at the hearing to redeem their interest as determined by the court in the subject farm animals and to purchase the interest of the convicted person. The convicted person shall be entitled to be reimbursed his interest in the farm animals, less any costs, fines or penalties imposed by the court, as specified under paragraph d of this subdivision. In no case shall the court award custody or control of the animals to any interested person who conspired, aided or abetted in the unlawful act which was the basis of the conviction, or who knew or should have known of the unlawful act.

g. Nothing in this section shall be construed to limit or restrict in any way the rights of a secured party having a security interest in any farm animal described in this section. This section expressly does not impair or subordinate the rights of such a secured lender having a security interest in farm animals or in the proceeds from the sale of such farm animals.

§ 375. Officer may take possession of animals or implements used in fights among animals. Any officer authorized by law to make arrests may lawfully take possession of any animals, or implements, or other property used or employed, or about to be used or employed, in the violation of any provision of law relating to fights among animals. He shall state to the person in charge thereof, at the time of such taking, his name and residence, and also, the time and place at which the application provided for by the next section will be made.

§ 376. Disposition of animals or implements used in fights among animals. The officer, after taking possession of such animals, or implements, or other property, pursuant to the preceding section, shall apply to the magistrate before whom complaint is made against the offender violating such provision of law, for the order next hereinafter mentioned, and shall make and file an affidavit with such magistrate, stating therein the name of the offender charged in such complaint, the time, place and description of the animals, implements or other property so taken, together with the name of the party who claims the same, if known, and that the affiant has reason to believe and does believe, stating the grounds of such belief, that the same were used or employed, or were about to be used or employed, in such violation, and will establish the truth thereof upon the trial of such offender. He shall then deliver such animals, implements, or other property, to such magistrate, who shall thereupon, by order in writing, place the same in the custody of an officer or other proper person in such order named and designated, to be by him kept until the trial or final discharge of the offender, and shall send a copy of such order, without delay, to the district attorney of the county. The officer or person so named and designated in such order, shall immediately thereupon assume such custody, and shall retain the same for the purpose of evidence upon such trial, subject to the order of the court before which such offender may

be required to appear, until his final discharge or conviction. Upon the conviction of such offender, the animals, implements, or other property, shall be adjudged by the court to be forfeited. In the event of the acquittal or final discharge, without conviction, of such offender, such court shall, on demand, direct the delivery of the property so held in custody to the owner thereof.

§ 377. Disposal of dead animals. (1) The carcasses of large domestic animals, including but not limited to horses, cows, sheep, swine, goats and mules, which have died otherwise than by slaughter, shall be buried at least three feet below the surface of the ground or otherwise disposed of in a sanitary manner by the owner of such animals, whether the carcasses are located on the premises of such owner or elsewhere. Such disposal shall be completed within seventy-two hours after the owner is directed to do so by any peace officer, acting pursuant to his special duties, police officer, or by a designated representative of the commissioner.

(2) Notwithstanding section forty-one of this chapter, any violation of this section shall constitute a violation. This section shall not apply to animal carcasses used for experimental or teaching purposes.

§ 377-a. Spaying and neutering of dogs and cats. 1. The legislature finds that the uncontrolled breeding of dogs and cats in the state results in an overabundance of puppies and kittens. More puppies and kittens are produced than responsible homes for them can be provided. This leads to many of such animals becoming stray and suffering privation and death, being impounded and destroyed at great expense to the community and constituting a public nuisance and health hazard. It is therefore declared to be the public policy of New York state that every feasible humane means of reducing the production of unwanted puppies and kittens be encouraged.

2. No animal shelter, pound, dog control officer, humane society, dog or cat protective association, or duly incorporated society for the prevention of cruelty to animals shall release any dog or cat for adoption to any person unless prior thereto:

(a) the dog or cat has been spayed or neutered; or

(b) the person intending to adopt the dog or cat shall have executed a written agreement with the animal shelter, pound, dog control officer, humane society, dog or cat protective association, or duly incorporated society for the prevention of cruelty to animals, to have the dog or cat spayed or neutered within thirty days from the adoption date, or in the case of a dog or cat which has not yet reached sexual maturity, within thirty days of the dog or cat reaching six months of age. The person intending to adopt the dog or cat shall deposit with the animal shelter, pound, dog control officer, humane society, dog or cat protective association, or duly incorporated society for the prevention of cruelty to animals, an amount of not less than thirty-five dollars. Not more than every two years, the commissioner, after holding a public hearing, may raise the amount to be deposited to reflect rising costs; or

(c) the person intending to adopt the dog or cat shall have executed a written agreement with the animal shelter, pound, dog control officer, humane society, dog or cat protective association or society for the prevention of cruelty to animals to have the dog or cat spayed or neutered within thirty days from the adoption date, or in the case of a dog or cat which has not yet reached sexual maturity, within thirty days of the dog or cat reaching six months of age. The person intending to adopt the dog or cat shall have paid an adoption fee which includes the cost of the spay or neuter procedure. The written agreement shall

require that the animal shelter, pound, dog control officer, humane society, dog or cat protective association or society for the prevention of cruelty to animals from which the dog or cat is adopted bear the cost of the spay or neuter procedure.

3. For the purposes of this section, the age of the animal at the time of adoption shall be determined by the animal shelter, pound, dog control officer, humane society, dog or cat protective association, or duly incorporated society for the prevention of cruelty to animals that releases the animal for adoption and such age shall be clearly written on the written agreement by the animal shelter, pound, dog control officer, humane society, dog or cat protective association, or duly incorporated society for the prevention of cruelty to animals, prior to the agreement being executed by the person adopting the animal.

4. Any deposit collected pursuant to paragraph (b) of subdivision two of this section that is not claimed within ninety days of its collection, or if the deposit is for an animal under six months of age, within sixty days after the animal has reached six months of age, shall be deposited in the animal population control fund established pursuant to section ninety-seven-xx of the state finance law.

Deposits collected pursuant to paragraph (b) of subdivision two of this section shall be refunded to the adopter upon presentation to the animal shelter, pound, dog control officer, humane society, dog and cat protective association, or duly incorporated society for the prevention of cruelty to animals of written documentation from a licensed veterinarian that the dog or cat has been spayed or neutered, provided that the animal has been spayed or neutered within the time specified in the written agreement, or that because of old age or other health reasons, as certified by a licensed veterinarian examining the dog or cat, spaying or neutering would endanger the animal's life.

5. Nothing contained in this section shall prevent any town, city, village or county in New York state from enacting a local law or ordinance requiring that animal shelters, pounds, dog control officers, humane societies, dog or cat protective associations and duly incorporated societies for the prevention of cruelty to animals within such town, city, village or county spay or neuter dogs and cats prior to releasing such animals for adoption, provided that such local law or ordinance may require spaying or neutering at an age earlier, but in no event later than that required in this section, except where because of advanced age or other health reasons, as certified by a licensed veterinarian who has examined the dog or cat, spaying or neutering would endanger the life of the animal. A town, city, village or county in New York state that enacts such a local law or ordinance shall be exempt from the provisions of this section.

(h) "Notice" means to provide information in such detail to make a reasonable person aware of the presence in a facility of infectious agents or secret scientific material.
